

Help to make your home warmer/more energy efficient – East Lothian

Help is on hand in East Lothian to help to make your home more energy efficient, so it costs less to heat. This also means fewer emissions into the environment. There are two main sources of advice on energy efficiency and fuel billing available for East Lothian residents.

> **Home Energy Scotland**

> The Energy Saving Trust manages delivery of the Affordable Warmth and Energy Assistance Schemes through the Home Energy Scotland hotline (on behalf of the Scottish Government.) To find out what they can offer you, telephone the hotline on **0808 808 2282** or visit the Home Energy Scotland website.

> The East Lothian Energy Advice Service is run by **Changeworks** and is funded by East Lothian Council and provides specialist advice and practical support to help people stay affordably warm in their homes. The East Lothian Energy Advice Service can also be accessed via the Home Energy Scotland helpline **0808 808 2282**.
